

**RESPECT • EXCELLENCE • HONESTY • TRUST • RESPONSIBILITY**

## Principal's Message

Last week our values were ratified. These are the values that our school community hold as the way that we and our students would like to interact with each other. These values are reflected in our policies and the actions of the school community, whether it be in school day to day, sporting or school events .

We will now begin to review these with students. We are collating examples and dot points to ensure good understanding of the values.

## YEL World Environment Day

The Year 5-7 students travelled to Waikerie for World Environment Day on Wednesday with Mrs Robertson and Miss Mudge as part of the Young Environmental Leaders group. See Page 5 for pics.

## Dental Visit

Thanks to families who have sent in their registrations for the Mobile Dental Service. We are pleased to inform families that pre-schoolers from 2 years old upwards that attend Playcentre can also be registered for this service. If you would like additional forms, please see Jenni in the front office. Registration cut off date is 28th June.

## Girls Crows Cup Carnival - Berri

Following the Crows visit, our Year 6,7 girls have been invited to attend the

Crows Cup Carnival on Friday June 14th in Berri. To make up the team, we have invited Light Pass PS girls to join us. Girls will need appropriate sport gear, a change of clothes and recess, lunch, afternoon snack and a water bottle. They may wish to bring a mouth guard. Further details with permission forms will be sent home shortly.

## Grandparents History

Despite the cold and drizzly weather we had a fantastic crowd for our annual Grandparents/History Day. The displays of souvenirs and memorabilia were of great interest and the ever popular morning tea and historical display evoked many "do you remember when" conversations amongst our senior visitors. Thanks to Phil for bringing the jigsaw maker and to our P&F who cooked up an absolute storm. The students memento stall raised \$128.56, lunch \$315.32 and \$198.40 was received for the "Australia's Biggest Morning Tea."

## Aussie of the Month

Charlie Sherwood received the Aussie of the Month award for May for showcasing an enhanced work ethic and growth mindset when completing a variety of tasks independently. In addition, Charlie has demonstrated determination and a willingness to improve his organisational skills to ensure increased productivity.

# History, Grandparents and Friends Day, 2019

What a wonderful occasion this year's History, Grandparents and Friends Day was. Truro has now been involved with the History Festival for 14 years and we continue to go from strength to strength with our presentations. We were very lucky to be visited by Karen and Brit from the History Trust of SA.

We hope you all got to have a photo at the Photo Booth School Logo backdrop created by the R-3 class.

The Echidna Learning Area had Science displays linked to the 50 year celebration of the Moon Landing by Apollo 11.

The Kookaburra Learning area had displays showing some fantastic macramé art by the Yr 4-7 students, Hobby farms created by the R-3's and various writing samples.

The Possum Learning area was where the children had created their own R-7 Souvenir and Memento museum. There was a lot of reminiscing happening as visitors looked through the museum items.

The Lizard Learning area had a wonderful display of photographs from the past and was the location for the morning and afternoon tea.

Thank you for supporting us by purchasing lunches (provided by the Parents and Friends group), buying souvenirs and memento's from the Year 4-7 stall and making donations for The Biggest Morning Tea.

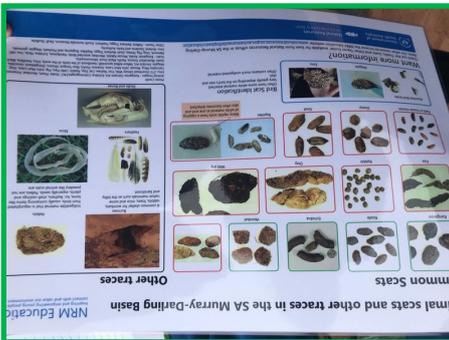

Another big thank you to Phil Holmes for bringing in his old man powered jigsaw for the children to have their initials cut out as an extra keepsake for the day.

Hello everyone, I hope all is well.

## Building resilience

When things go wrong, resilience is what helps you to cope and get through hard times. Sometimes it makes you even stronger than you were before. Resilience can also be described as:

- Bouncing back after difficult times
- Dealing with challenges and still holding your head up
- Giving things a go or trying your best
- Being strong on the inside
- Being able to cope with what life throws at you and shrug it off
- Standing up for your self

Getting back into shape after you have been bent or stretched

Some things that can help develop resilience are:

- Having a positive attitude
- Feeling good about yourself
- Having a supportive family
- Being able to solve problems and overcome challenges
- Finding good friends
- Feeling like you belong
- Helping others or 'giving back'

Good communication with the people around you You can start to build resilience when facing a challenge by asking yourself:

- What can I do to get back on track?
- I can't control everything, so what is in my control?
- Can I change something, what am I doing to make things better?
- What can I learn from this?
- Who can help?

How can I move forward? There are lots of things you can do to develop your own resilience. Here are some ideas:

- \* Think positive thoughts
- \* Look after yourself
- \* Keep trying
- \* Get help when you need it
- \*Talk to someone
- \*Learn from mistakes
- \*Walk towards your goal
- \*Accept that change happens all the time
- \*Look for the Positives in your life
- \*Accept that negative things can happen
- \*Improve your problem solving skills
- \*Find things that help you feel calm

Hope this helps in life's moments.

Regards,

Renee 😊

## Heat-Up Lunch Days

In the winter months we like to provide an opportunity for children to have a warm lunch. Please find following a roster for Heat Up Lunches each Friday (except for lunch days) for Term 2. Please let office staff know dates you can help. We will need at least two parents each week to help with the heating up of student lunches. If we do not get enough volunteers we will not be able to provide this option for your children in the winter months. These lunch days benefit all students and we know that children look forward to having heat up lunch days. If you can please spare approx 1hr it would be greatly appreciated. Heat-up lunches can include soup, sandwiches for toasting, leftover dinners, etc.

[Where possible we encourage healthy options in line with the Right Bite Policy.](#)

[Please clearly name your child's lunch and include eating utensils.](#)

[Any parents of students are invited to help with heat up lunches.](#)

**BIG THANKYOU TO ALL THE MUMS THAT ARE HELPING OUT FOR HEAT UP LUNCH DAYS AND MAKING SOUPS, ITS GREATLY APPRECIATED.**

## SOUP DAYS

Soup days are held a few times during terms 2 and 3.

If you are able to make a soup and help serve on one of the soup days please let Jenni know.

Soup days are \$2 for a cup of soup (BYO cup or mug) and either a piece of bread or bread roll (depending on availability)

TERM 2	
Friday 14th June	LUNCH DAY - NO HEAT UP TODAY
Friday 21st June - Julianne	Emily
Friday 28th June - Melissa	Linda
Friday 5th July	

TERM 3
