Principal's Message

Thanks to Natalie for Acting in my position while I was on leave. I had a wonderful time although am struggling to acclimatise to the temperature drop.

This term we have hit the ground running with so much planning to do for the remainder of the year.

Each and every experience that is planned for children relates to their learning and enriches their life experiences.

BOOKWEEK NEWS

This year for Bookweek we wont be holding a Book Fair. Instead I thought it is a good opportunity for us to think about those children who are less fortunate than us and buy a book for a child in need. When the next scholastic book flyer comes out we are asking if each child could pick out a book or two if you wish and bring the order form and money into the school. As we would like to keep this as a school fundraiser, Rachael has asked if these orders and money can please be

brought into the school so orders can be collated together. If you would prefer to not choose a book, a donation can be brought into the school and we can choose a book for you.

We will be adding a sticker to the inside of the book with who donated the book.

All books will be going to Lutheran Community Care to deliver with their Christmas Hampers.

Thank you in advance for supporting this very worthy cause and helping a child in need to be able to read.

We will be starting a book nook / book swap soon, if you have any books (childrens or adults) that you are happy to donate to start our book nook please see Jenni.

Heat-Up Lunch Days

In the winter months we like to provide an opportunity for children to have a warm lunch. Please find following a roster for Heat Up Lunches each Friday (except for lunch days) for Term 3. Please let office staff know dates you can help. We will need at least two parents each week to help with the heating up of student lunches. If we do not get enough volunteers we will not be able to provide this option for your children in the winter months. These lunch days benefit all students and we know that children look forward to having heat up lunch days. If you can please spare approx 1hr it would be greatly appreciated. Heat-up lunches can include soup, sandwiches for toasting, leftover dinners, etc.

[Where possible we encourage healthy options in line with the Right Bite Policy.](#)

[Please clearly name your child's lunch and include eating utensils.](#)

[Any parents of students are invited to help with heat up lunches.](#)
