Truro Primary School

Term 3 Week 10 / Issue 15– 27th September 2019

RESPECT • RESPONSIBILITY • INTEGRITY • SUCCESS

Principal's Message

I am very pleased to announce that a principal for the next five years has been appointed. **Val Menzel** has been the Senior Leader Learning Improvement Primary in the Gawler region, with a wealth of learning improvement experience across a number of regional schools.

Val visited on Wednesday of this week and is very excited to be coming to lead Truro Primary School. She will, no doubt visit again.

I wish all families a safe and happy holiday break!

FOM Concert

What a wonderful experience for our students to be singing in a huge choir on the stage at Festival Theatre! Our students did us proud. They will share some of their performance at the concert.

Truro's Got Talent

Congratulations to Charlize (singing) the MAM Magical troupe (Amelia, Michala and Montannah), Dancing Dudes (Matthew and Joe), Tahlia playing keyboard for making it through the heats to the semi-finals.

All of the children really made an effort to perform - well done.

The two winners of the semi finals will perform at camp in the grand final.

Camp

We are very excited about the upcoming camp at Aldinga Beach!

Please be reminded that we will be leaving Truro at **8.15 am on Monday 14th October so children will need to be here by 8.00am to pack the bus.**

Medication forms and medicines are to be given to Mrs Robertson on arrival.

Children will need lunch and recess and a drink bottle with water but no money or electronics thanks.

Please read the 'things to bring' carefully - we would hate for children to miss out on activities.

No school uniform is necessary for this camp.

Final date for payment is this Friday unless alternate payment arrangements have been made.

Sports Day Reminder

On Friday 18th October we will be holding the 'take two' Sports Day at Palmer. Parents are requested to take their children to and from Palmer. Lunch orders were sent to Palmer today for those that chose that option for lunch on Sports Day.

Police Band

On Wednesday we were lucky enough to be visited by the Police Band. They brought with them some positive messages.

From the P.C.W

Hello everyone,

Holidays are nearly here! Although holidays is generally a happy time, it can put extra pressure on families. You can boost healthy activities, set reasonable expectations about technology use, if there is too much screen time, the holidays won't be as recharging. You could put in place to have 90 minutes in the morning and tell them to get on with what they have planned for the day. Help kids that feel a bit lonely in the holidays, plan outings to connect with friends, meet at parks, or connect with relatives or others. Look out for local events to make new and positive community connections. Maintain healthy routines, sensible bed time, stories and good nutrition. Some holiday treats are fine, but don't let your standards drop too far, because it can cause issues when school resumes. Encourage kids to get outside, ride bikes, go for walks, help with gardening, chores, help with cooking and shopping.

Look after yourself, it is no surprise but parental stress can increase in the holidays which can impact on your children. This is usually that parents can feel overloaded or stretched between home and work. Make time to have some fun days out, watch some movies, schedule in some independent quiet times. Stress levels will drop if you have a break from constant negotiations, event managing and oversight of everything. Self care is important.

Life is busy, but do your best to take time out to enjoy the holidays. Focus on the good parts and stay positive with your family, and remember to ask for help when you need it too.

Renee 😊😊

happy
holidays!

FESTIVAL OF MUSIC

On Tuesday 17th September our Yr 5/6/7 students performed on stage at the Adelaide Festival Theatre as part of the Public Primary Schools' Festival of Music. Our school was joined by 4 Cambrai students who have been practicing the songs with us during the year. The Primary Schools Festival of Music, an official state icon, is a public school-based music education program which is a collaboration between the Department for Education and the SAPPS Music Society, which gives all SA public primary students the opportunity to perform at a prestigious venue.

The commissioned work was entitled "Dear Pen Pal" which was a series of songs composed by local musician Robyn Habel about Adelaide's sister cities and having a pen pal. The concert ended with a spectacular sea of colour.

During the concerts there were a number of Guest Artists from public primary and secondary schools, other choir items that presented different musical genre, and two pieces that specifically showcased the talents of the orchestra.

It was a spectacular event that our students enjoyed being a part of.

After attending the rehearsal during the morning the students were able to explore a little bit of Adelaide. This included lunch at the Adelaide Botanical Gardens, a stroll through the SA Museum, browsing the stalls at Central Markets and dinner at the Myer Centre Underground Food Court. After such a busy day they then returned to the Festival Theatre for their performance.

It was a pleasure to be with the students during the day and their great behaviour was commented on many times by other teachers at the Festival.

PLAYCENTRE NEWS

Here we are at the end of another fabulous Term at Playcentre. We have been recycling newspaper this term into all sorts of things. We have made lions and bears, owls and parrots, unicorns and jellyfish. We have joined with the R-2 class a couple of times. Earlier in the Term we had a Teddy Bears Picnic and then a couple weeks ago we had Eric from Nature Play SA come along and we made all sorts of things with natural elements. We also made our very own sunflower seed pods to grow in our garden. Watch this space to see how our sunflowers bloom. We also received some much needed new sand for our sand pit and new climbing equipment. Next term is all about Christmas as well as practicing for the end of year school concert, always an exciting term (It's usually when the glitter gets a good work out, which I love). Enjoy the holidays.
