

Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.
- for medical reasons (i.e. apps for certain medical conditions such as diabetes, etc where recording of sugar level readings may be necessary).

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Students are to hand their mobile phone to staff in the office upon arrival at school. Their phone will be stored securely during school hours and can be collected from the office at the end of the day.

If the student does not comply

Non-compliance with our school policy may result in disciplinary action in line with our behaviour management policy.

Misuse of devices may result in disciplinary action in line with our behaviour management policy.

Where disciplinary action involves confiscation of the students device, the student's device will be stored securely in the front office and will be returned to them or their parent at the conclusion of the school day.

Roles and responsibilities

- this policy is clearly communicated and accessible to all students, staff, and families
- there is a process for regular review of the policy
- secure storage is provided for student personal devices that are handed in to school staff
- processes are in place for monitoring internet and school network use by all members of the school community.

Enforce the policy and responses to instances of non-compliance.

School staff

Respond to instances of non-compliance in line with the school's policy.

Students

Comply with the requirements of the school's policy and follow all reasonable directions from the Principal and school staff.

If permitted to use a mobile phone or personal device in line with an exemption under this policy, do so in a safe, responsible and respectful way and support peers to do the same.

Communicate respectfully with others and do not use a mobile phone or other personal device to bully, harass or threaten another person.

Respect others' rights to privacy and do not take photos, film or audio records of other people without their knowledge or permission.

Parents

Support the implementation of the school's policy, including the consequences for non-compliance with the policy.

Use the school's formal communication channels in all instances to communicate with the school (including where a student requires early collection from school). Encourage their child to always report to a school staff member in the first instance if they become unwell or experience an issue at school.

Recognise the important role they play in supporting their child to use their mobile phone (or other personal device) in a safe, responsible and respectful way.

Communication and review

Consultation regarding this policy has been undertaken with student parliament and governing council.

The school's policy can be accessed on the school's website or a hard copy is available from the school office. A copy will be advertised at the beginning of implementation and at the beginning of each school year in the school's newsletter.
